

June 2016				
On 13th May, the DH announced that there would be reductions to Category M prices from June until September.				
http://psnc.org.uk/our-news/contractor-notice-category-m-price-reduction/				
This has translated into reductions of 9% - 10.5% in *all* Category M prices.				
As before, Tariffwatch has picked out what are hopefully the lines of most interest and put them into BNF Chapter order				
for quick perusal and review.				
There have been some minor changes to the lines highlighted in Tariffwatch and some more have been included				
this time but may not appear again.
